*“Image ads on Rotary Club websites can significantly increase the fundraising abilities of the club. The Tullahoma Noon Rotary Club has seen a considerable increase in fundraising since beginning the image ad sponsorship packages.” --Sam Harper, President, Rotary Club of Tullahoma.*

*“Our synergy enhances your club with growth and prosperity!”*

Dear Rotarian:

I have been a Rotarian since 1978 and am the Rotarian Webmaster for my:

- **Local:** Tullahoma Noon Rotary club (<http://www.tullahomanoonrotaryclub.org>)
- **District:** Rotary District 6780 (<http://rotary6780.net>)
- **Zone:** Rotary International Zones 29 & 30 (<http://www.rizones29-30.net>).

We have developed a website building program (<http://www.clubwebsitebuilder.com>). Quite simply, by using a web browser, your members can literally build your club's web site with word processing, cut-and-paste skills. Some of the advantages of this program are:

- Since members do not have to know HTML programming, they can update their contact information online. i.e., <http://www.tullahomanoonrotaryclub.org/noonMembers.php>.
- Weekly speaker program information can be posted many weeks in advance and archived.
- Weekly bulletin can be published online and archived.
- A professional website attracts new members!

**Let us show you how we combined our club's traditional fundraising activities with web site sponsorships and *increased our club's income by 415%!***

Please go to this web page: <http://www.clubwebsitebuilder.com/banners.php>, and input the number of members in your club to find an estimate of your club's potential revenues.

If your club has a Webmaster or Club Internet Communications Officer, please pass this information along to him or her. If not please share this information with your board members. If you would like us to send our information package to any of your club members, please send us their contact information.

To sign up for a free 90-day no-obligation trial, please contact Walter at (888) 330-9593.

***For a limited time only:***

**A. Send us the business cards of your board and we will build you a **FREE** website!**

**B. Send us the business cards of your members and we will build you a **FUNDRAISING** website!**

Sincerely,

Bill Stone
